FOR YOUR PET'S HEALTH

VACCINATION POLICY

To ensure the protection of all pets under our care, the following must be up-to-date:

DOGS: ___ Rabies ___ DHPP ___ Bordetella ___ Flu ___ Negative Stool Exam (within 6 months)

CATS: ___ Rabies ___ FVRCP ___ Negative Stool Exam (within 12 months)

If not up-to-date, or if I am unable to provide proof of vaccination, I understand that my pet(s) will be vaccinated and/or tested in accordance with the above policy.

If fleas or ticks are observed on my pet(s) while boarding, my pet(s) will receive a flea bath/treatment at my expense.

MEDICAL ILLNESS POLICY

One advantage of boarding your pet(s) at a veterinary clinic or hospital is that veterinary assistance is readily available should the need arise. If your pet becomes ill, we will call the emergency number(s) listed above regarding your pet's symptoms, treatment options, and estimated additional costs.

If no one can be reached, we will perform whatever services the doctor deems necessary for the best care of your pet until someone can be reached. This includes only non-elective treatments and necessary diagnostics.
